Activating your special ESN offer.

Your special ESN offer allows you to send text messages at a reduced price of only 5 ct (instead of 20 ct) and make phone calls to other Austrian mobiles and landlines for only 15 ct (instead of 40 ct)!

How to switch from your default price plan B.FREE 5 to your special ESN offer:

- Top up €10 at once and you can send text messages for only 5ct to all your Austrian and international friends.
- Top up €20 at once and you can make phone calls for only 15 ct to other Austrian mobiles and landlines AND send text messages for only 5 ct to all your Austrian and international friends.

The reduced prices for text messages and calls to landlines/other mobiles are valid for 30 days, max. 1,000 SMS /max. 1,000 minutes, m-commerce and value-added-services are excluded.

Checking your credit.

With B.FREE checking your credit balance is very easy: Just dial * 1 0 1 # and press the call key. You will immediately receive a text message with your current balance. This service is free of charge.

Purchasing credit.

B.FREE vouchers (€10, €20 and €40) are available almost everywhere:

- A1 SHOPS
- post offices
- newsagents and kiosks
- supermarkets
- petrol stations

If you have an Austrian bank account, you can additionally top up your credits via online banking, at cash machines or via paybox.

Topping up credit.

You can easily top up your credit by entering the following key combination directly from your B.FREE mobile:

1. Enter * 1 0 2 * and the 13-digit numerical code on the B.FREE voucher, and press # (e.g. *102*1234567890123#).

2. Press the call key – and that's it!

After topping up successfully you will receive a confirmation text message including your current credit balance.

Using your A1 voice mail.

Your A1 voice mail („A1 MOBILBOX“) answers incoming calls in your absence. To listen to messages in your A1 voice mail from your mobile, dial 66477.

You can also access your A1 voice mail from another mobile phone, from a landline or from abroad: dial +43 664 77 and your 7-digit B.FREE phone number. Interrupt your greeting message by pressing # and enter your 4-digit voice mail password (next to your PIN in your B.FREE Welcome Package).

The default communication language for your A1 voice mail is German, but it can be changed to English: Just dial 66477 and as soon as you hear the A1 voice mail information in German, press the key combination * 3 3 2.
